

ROPPONGI

The most international district in Tokyo, Roppongi is famous as one of the city's major nightlife districts claiming some of the best restaurants, bars and nightclubs in Tokyo. Life in Roppongi starts at the Roppongi crossing. The Almond, a pink coffee shop, is a famous landmark at the corner of Roppongi crossing. Another famous landmark is the Square Building, a potential entrance in the Guinness Book of World Records for housing seven discos in its ten stories. The famous Hard Rock Cafe is also located in Roppongi and is open Mon. - Thu. 1130 - 0200, Fri. - Sat. 1130 - 0400 and Sun. 1130 - 2030. Telephone number is 03-3408-7274. Just look for the building with King Kong near the top (see map for location). During the day, Roppongi is relatively quiet. Two fairly recent buildings make it worth a daytime trip: The Axis building, full of shops specializing in contemporary interior goods, and Wave, the most advanced record store in the world.
